

Accessibility Statement – E2L Construction Ltd.

At E2L Construction Ltd., we are committed to ensuring our website is accessible to everyone, including individuals with disabilities. We follow best practices and Web Content Accessibility Guidelines (WCAG) to enhance accessibility.

Accessibility Features:

- Descriptive alt text for images.
- Clear, readable fonts and high-contrast color schemes.
- Easy-to-navigate menus and consistent page structure.
- Compatibility with screen readers and assistive technologies.

Feedback and Assistance:

If you encounter accessibility issues or have suggestions, please contact us: nadim.elachkar@free.fr or +233 24 24 426 2626

We continually strive to improve website accessibility and welcome your feedback.
